MEMORANDUM FOR: Deputy Director (Administration)

25X1A SUBJECT: Termination of Contract of Agents
and [REDACTED]

25X1A [REDACTED]

1. It is apparent that a resolution of the matters concerned herein involve operational considerations and the potential development of an unfavorable security area. There is no legal objection to the granting of severance pay as though the contract had in fact been extended through 31 January 1953.

2. In addition, the granting of the severance pay would not appear to be without legal considerations. This office would interpose no legal objection should the DD/A wish to approve the recommendation under existing authority.

3. Subject agents have been debriefed by representatives of I&S, DD/P and General Counsel.
